

Anne Percival (Secretary)

Anne's career, as an academic (adult education) and academic administrator at The University of Manitoba, included 7 years as Dean of Extended Education. Anne has an extensive volunteer history working with such organizations as The Winnipeg Humane Society, Hospice and Palliative Care Manitoba, CNIB, The United Way, Children's Home of Winnipeg, Poseidon Care Home, and since arriving in Victoria five years ago, with Mustard Seed and WIN (Women in Need). She currently serves as Treasurer on the WIN Board. She is on the Steering Committee of Choices in Dying Victoria, a group that advocates for choices in end of life care. Anne was heavily involved in governance committees and organizations, both in the University and in professional associations in continuing education, particularly the Canadian Association for University Continuing Education (CAUCE). Anne loves opera and looks forward to supporting young people in the performing arts.
