

Gina Sinclair Davis grew up in the South of England where she started her dance training at the age of 7. Her early years were spent at a Stage School where she blended academic subjects with the study of all forms of dance, with Ethnic dance being a favorite!

A graduate of Arts Educational in London England, Gina has performed with professional ballet and modern dance companies and has also taught lead and supporting roles for Canadian, American and Russian Ballet Companies.

Gina is a guest Master Ballet Teacher at Universities and professional dance schools, as well as an adjudicator in all subjects for dance competitions.

As a past president of the GVPAF, she is delighted to be adjudicating in this year's festival and looks forward to meeting all the groups performing in the Ethnic Dance section.
